Pirce

Giuseppe Maurizio Scutellà

↪ 2008

Pirce's award-winning design is one of Artemide's top sellers. Originally released in halogen, its light source has been reimagined to incorporate a high quality, energy-efficient LED light source.

Pirce is not only an elegant light source, it is an alluring decoration with a strong sense of presence turned on or off. Its slim disc merges softly into flowing swirls that spiral downwards to create alluring lighting effects.

↗ Elegance

↗ Three Sizes

- Pirce
- Pirce Mini
- Pirce Micro

↗ Two Colours

Gold
White

↗ Different Typologies

Suspension
Ceiling
Wall

↗ Versatility

The Pirce collection of ceiling, suspension, and wall models comes in three different sizes available in white or gold finishes. When these models are combined, Pirce complements any modern space with brilliant design consistency, whether residential or commercial.
